Hi Kirk:

Thank you for the kind words, I would prefer that you keep our emails private, NOT to blast it to the Council...

Cheers,
Dom

Hi Domini c,

Thank you for taking the time on Friday to meet and discuss the opportunities for BAREC. I would like to publicly thank you (via an email to the City Council), but I wanted to make sure you were comfortable with that. You have been a great advocate for this land and strong supporter of our efforts.

I am sure you have seen this already, but I wanted to send you the link to the SJ Merc OpEd that was published yesterday:
<http://www.savebarec.org/docs/sj-mercury-news-oped-june-17-2007.pdf>

Tomorrow evening will be pretty lively. I look forward to seeing you there.
